

Attention Vaccination Clients

SEKMCHD is a VFC provider!

What this means for you-

If your child is 18 years of age or younger they may qualify for vaccines at a lower cost.

VFC Eligible client requirements:

Child is 18 or under

and

Child DOES NOT have insurance

or

Child HAS title 19 Kancare (*Medicare*) insurance

or

Child is covered by private insurance but immunizations are not covered under clients plan.

CHIP Eligible client requirements:

and

Child DOES NOT have insurance

or

or

Child is covered by private insurance but immunizations are not covered under clients plan.

CHIP Vaccines are \$20.00 per injection

Private Insurance:

If your child is covered by BCBS and your plan covers immunizations we will bill BCBS. If any portion of the vaccination is not covered the remaining balance will be the client's responsibility. It is also the responsibility of the client to contact BCBS to find out if immunizations are covered.

Costs vary on private vaccines, see Desiree for more details.

If immunizations ARE NOT covered, the child is qualified for VFC (18 and under).

If a VFC client is unable to pay the administration fee they will not be denied vaccination.
